Products not intended for direct skin contact, minimal or insignificant transfer to skin	12	100.00 %

For other kinds of applications or use at higher concentration levels, a new evaluation may be needed. Please contact BALSIUS, LTD.

The IFRA Standards regarding use restrictions are based on safety assessments by the Panel of Experts of the RESEARCH INSTITUTE FOR FRAGRANCE MATERIALS (RIFM / www.rifm.org) and are enforced by the IFRA Scientific Committee.

It is the ultimate responsibility of our customer to ensure the safety of the final product (containing these fragrances) by further testing if necessary.
